PHONOLOGICAL.
 An **ANGLO-CHINESE DICTIONARY**, pub-
 lished at the **Print Press Office, Hongkong**.
 FOR **Chinese teachers and practical**
 this work stands unrivalled. All the
 words which the Chinese have of late years
 compelled to coin to express the numerous
 terms in machinery, photography, telegraph
 and other modern science, and the terms of
 foreign relations has imposed upon them
 here given in *addendo*. Such and every y
 fully illustrated and explained, forming
 a book for students at a most instructive
 Both the Court and Punt pronunciation
 given, the accents being carefully marked
 the best principle hitherto attained. The
 graphy displays the system of the letters
 made like Chinese and English words
 in the side of both, thereby effecting
 economy of space, achieving a clearness
 previously attained, and dispensing with
 the usual Chinese and English words
 heretofore characterized Chinese publications.
 "To illustrate the vast scope of the work
 following pages are submitted for consideration.
 The Chinese characters and *Notations* of
 and Chinese Dictionary about 100,000,
 this work contains more than 50,000
 words, and upwards of 100,000
 characters, comprising all the grammar
 other elementary works as yet published
 student of the difficult language absolute
 Chinese examples to display the various
 characters and words, and the various
 have one correct meaning. Of these exam-
 this work contains more than five times
 many as any other Dictionary hitherto
 published.
 For practical purposes the arrangement
 the work is so complete, that a refer-
 to its pages enables a person who
 speaks English to communicate *effectively*
 with a Chinese man and understand his
 sense. In this respect the work will be
 indispensable to all Europeans residing
 China and to the natives themselves
 who are desirous of acquiring the lan-
 guage. Of them are perfectly acquainted
 parties resident in England and interest-
 ing. It cannot but be invaluable occasion
 to those who are upwards of two-hundred
